**To: GM Mirsaid Yakhyaev, President of CATF,**

**Re: Congratulatory Letter for the 1st CATF Championship**

**Date: Mar. 10th, 2023**

**Pyongyang, DPR Korea**

**Dear GM Mirsaid Yakhyaev, President of CATF,**

I wish you and all of your family members good health, happiness and prosperity.

On behalf of the ATF, I would like to express my warmest congratulations to the 1st Central Asian Taekwon-Do Championship to be held in Tashkent, Uzbekistan.

The first Championship to be held by the CATF, established not long ago, is a great celebration for our large Taekwon-Do family as well as a significant opportunity to encourage the development and spread of the original Taekwon-Do not only in Central Asia, but also in the entire Asian region.

And your efforts to organize the Championship despite some challenges, including the worldwide public health crisis, would encourage all original Taekwon-Doists.

You will entirely demonstrate your indomitable opening-up spirit and the power of solidarity in front of all Taekwon-Do brothers and sisters in the world.

ITF President Prof. Ri Yong Son appreciates your hard work for the development and spread of Taekwon-Do in Central Asia, too and let me send you his hope that the Championship should be successfully held.

On behalf of the ATF, I hope that CATF would brilliantly organize the Championship and all of the participants would make great success by fully displaying the noble Taekwon-Do spirit and techniques.

Also, I would like to express my hope, that all of the Taekwon-Doists in CATF would hand in hand actively promote the development of the original Taekwon-Do in Central Asia and hereby contribute to develop the ATF and ITF under the leadership of ITF President Prof. Ri Yong Son.

Let me extend the warmest congratulations to the 1st Central Asian Taekwon-Do Championship, once again!

Best regards,

Kim Myong Gun

President of ATF and KTC

Secretary General of IMGC
