To: Presidents & Representatives of all NGBs of ITF
Subject: On the 58th anniversary of foundation of ITF

Dear Presidents & Representatives of all NGBs of ITF,
On the 58th anniversary of foundation of ITF, on behalf of all TKDists in TKD motherland, I would like to extend to you my warmest congratulations.

During the 58 years since Gen. Choi Hong Hi founded our ITF, a lot of successes have been achieved by ITF, which were unavailable without the dedication of you, real martial artists who regard TKD as the part of their life.

Thanks to your dedication, ITF has become nowadays a strong international martial art organization with 145 NGBs across the world.

Even if international political circumstances are very complicated and we have to face more difficulties in the future, the motive power for our ITF is not material factor, but your indomitable spirit to vigorously conquer upcoming challenges hand in hand for our common ideal.

Availing myself of this opportunity, I hope that in obedience to the will of Gen. Choi Hong Hi to build the more peaceful human society, all of you will make more great successes in your responsible duties for strengthening and development of ITF under the leadership of President GM Prof. Ri Yong Son.

Specially, I would like to encourage all of Asian NGBs to actively participate in 10th ATF Congress, ATC and the World Cup TKD Games and to demonstrate the high-level aspects of original TKD to the world.

Looking forward to seeing you.

Best regards,

Kim Myong Gun
